## Full-Service-Products

## Customization according to your wishes.

Everything begins with individual advice. We'll be pleased to support you with your project and find solutions for every requirement. Customer-specific solutions are our speciality.

Our services also include engraving your logo and other elements, which we can of course perform in any colour you desire.

If desired, we can apply your logo and lettering or other markings using serigraph printing.

ROLEC's porffolio also includes matching front plates, mounting plate, supporting rails and terminal blocks as well as a range of cable glands, blanking plugs etc.

Test our products with your internal mounting. We'll be pleased to send you a sample enclosure for inspection with no strings attached

We can process stainless steel enclosures and plates quickly and reliably according to your individual requirements thanks to our in-house lasering centre.

Digital printing is pa rticularly worthwhile for low-volume order sand for realising complex pa tterns or images.

Would you like to have all your components supplied already assembled? No problem. Our assembly team will be pleased to perform all assembly work on your behalf.

We'll manufacture every enclosure for you according to your exact specifications - whether they involve precise drilling or large tolerance.

We can powder coat enclosures, command enclosures and suspension systems in any RAL colour you desire. Custom colours are of course also possible.

We offer our conFORM low-price standard EMC enclosure to protect your internal mounting against electromagnetic radiation. On request, we can also supply an EMC-compliant version of any other ROLEC enclosure.

If you have any requirements for services not listed here, please ask us Customer-specific solutions are our speciality. We also are keen to take on unusual tasks.

We will help you with those challenges that many others would give up on.

Our Service

Thanks to our modern CNC production, we can quickly and efficiently mill custom-fit cut-outs and contours to match your exact specifications.

We can also paint all our enclosures in any RAL colour you desire. The application of primer and special colour structures are possible, as well.

We are able to offer the right made-to measure display for all our enclosures - in varying sizes and degrees of robustness depending on the application.
